John,

I have a meeting at 1:30pm on 5/17. I can meet with you at 3:30pm on 5/17 along with my administrative assistance Cecile. She works until 4:30 pm and I can easily work as long as it takes to meet and go over the DMR set up. And it take about 50 minutes to travel from Red Cliff to my office.

Hi Philip,

Just confirming that we will be visiting with you on 5/17 in the afternoon. We will call you when we are leaving Red Cliff. Do you know how long it takes to get from Red Cliff to you? How long is your workday? We may not be able to get to until 3-3:30. Will that be okay?

John
